E. church at Spencer and had been a faithful member of this church until the hour of her death. Of her it can be truly said: A good woman has gone to her rest; she will be missed in the large circle of acquaintances. To the sorrowing friends we extend our heartfelt sympathy, pointing them to him who said in the great book of life: Blessed are the dead that die in the Lord, they shall rest from their labors and their works shall follow them. John M. Albert was born in Homer township, Medina county, Ohio, July 16, 1840, and died in Lodi, May 23, 1917.

When a boy of 13 his parents moved into Harrisville township. The balance of his life was spent in this township, near and in Lodi.

In March 1860, he was united in marriage to Miss Sophrona Lomina. This union was blessed with 8 children, 5 of whom, 4 sons and 1 daughter, survive to mourn the loss of a kind and devoted father. The other child died in infancy.

The deceased was a farmer and lived an active and industrious life until recently when, because of age and failing health, it became necessary for him to retire from the very active life he had followed.

His wife, with whom he had walked life's pathway for over 56 years, passed away in August, 1912, and his aged mother died in March, 1914.

After he was left alone he made his home with his children. Until a short time before his death he seemed to enjoy fairly good health, for one in his

years.
